Appointment of Munsiffs.

By the appointment of Mr. D.K. Rama Rao, and Mr. Abdul Ghani Munsiffs, as Magistrates, under the scheme of separation of Judicial and Executive functions, two vacancies arise in the grade of Munsiffs. The Chief Court propose to fill up one of the vacancies by the appointment of Mr. S. Venkataranga Iyengar, now officiating as Deputy Registrar, Chief Court. Under paragraph 8 of Government Order No.J.2643/Cts.199-14-4 dated 25th January 1917, one appointment in four has to be made by nomination, on special grounds, of a person who is a graduate in law or a Barrister at law, the nomination being made by the Chief Court in consultation with Government. For the other vacancy the Chief Court have selected Mr. M.N. Subbanna, B.A., LL.B., and Mr. Abdur Rahim Ganjami, B.A., LL.B., and are prepared to nominate either of them, for appointment. Both the names suggested by the Chief Court are suitable, and the Dewan also agrees in this view. In the opinion of the Judges of the Chief Court, Mr. Subbanna's candidature is given preference and this view may be graciously accepted.

CS 147-18

D. O. No. 3107/1918-19.

Chief Court of Mysore,
Bangalore, 14/16th December 1918.

My dear Balasundaram Iyer,

Of the two officiating vacancies in the Munsiffs' grade that will be caused by the appointment of Messrs. D.K.Rama Rao and Abdul Ghani as First and Second Class Magistrates respectively, one is proposed to be filled up by the appointment of Mr.S.Venkataranga Iyengar, now officiating as Deputy Registrar of the Chief Court; an official reference has already been made to Government in this matter.

2. As regards the other vacancy, we have no one now available either out of the three candidates that were declared to have succeeded at the last Munsiffs' Competitive Examination, or from among those exempted from appearing for such examination. It will take some time before another competitive examination can be arranged for, while the vacancy that has arisen has to be filled up without delay. In these circumstances, the Judges consider that the provision contained in paragraph 8 of Government Order No. J.2643/Cts.199-14-4 dated the 25th January 1917, for a fourth appointment being made by nomination on special grounds, may be availed of if the Government see fit to approve of that course.

3. It is difficult to say that any "special grounds" of the kind apparently contemplated by Government exist in connection with the other five candidates who, while they obtained enough marks to pass the last examination, were not able to secure the three places that were alone thrown open to competition. On the other hand, it would certainly, as a rule, be

much

much the most satisfactory course in all respects to confine nominations to Law Graduates who, in addition to possessing "special grounds" of eligibility, such as their belonging to classes or communities not already sufficiently represented in the service of the State, also establish their possession of at least the average standard of legal knowledge and capacity expected of candidates for high judicial appointments as indicated by a pass at the Munsiffs' Competitive Examination, even though they may not succeed in obtaining the first three places. But it so happens (as already observed) that no such candidates are forthcoming, and it seems inevitable that on this occasion a selection should be made from among those who, though they may not have sat at the examination, appear nevertheless to be fairly qualified on both general and special grounds, judging from the information at the disposal of the Chief Court.

4. After giving their best consideration to the cases of all such whose applications are available, the Judges have selected the following two persons, either of whom they would be prepared to nominate for appointment, the names being arranged in order of apparent merit:-

i). M.N. Subbanna, B.A.,LL.B.:- Belongs to the Lingayat community. Has passed the Bombay University LL.B. in the second class, and has been practising as an Advocate at Mysore since March 1914.

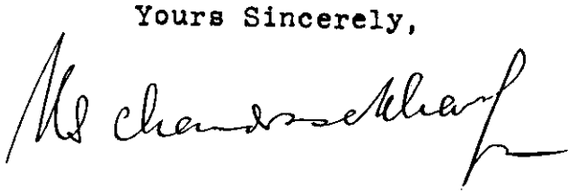
ii). Abdur Rahim Ganjami, B.A.,LL.B.:- Mussalman. Enrolled as an Advocate in June 1912; has been practising at Chikmagalur.

The applications and other connected papers of these two persons are enclosed for reference.

5. I may add in conclusion that the above nominations have the entire approval of Sir Leslie Miller as of the other Judges.

6. Since writing the above note, I have received from Mr. Abdul Ghani (Second Munsiff at Tumkur, who has been selected by Government for a Second Class Magistrate's place under the new scheme) a representation that he may be left undisturbed in his present station for some months more. I have sent on the representation separately to the Chief Secretary to Government for early orders. If Mr. Abdul Ghani's request is acceded to, then the necessity for selecting any one by nomination on special grounds for a Munsiff's place will not arise immediately; and we can take advantage of the results of the next competitiveexamination as a satisfactory guide in making such a selection. The question of altering some of the rules under which the examination is held is under the active consideration of the Judges, and an official communication will be made shortly on the subject. The opportunity may perhaps be taken of laying it down that candidates who wish to be selected on special grounds must also have appeared for the examination and secured at least the minimum number of marks prescribed for a pass.

Yours Sincerely,



17

To

His Highness the Maharaja Sri Krishnaraja Wodeyar
Bahadur, G.C.S.I.,K.C.V.O.,
Maharaja of Mysore, MYSORE.

May it please Your Highness,

The undersigned memorialist most humbly begs to submit the following for your Highness' gracious consideration :-

He is a graduate in Arts of the University of Madras and a graduate in Law of the University of Bombay. Soon after taking the law degree he was enrolled in March 1914 as an advocate and he has been practising as such in Mysore ever since his enrolment.

As a law student in Bombay he was the holder of Bombay Government scholarships granted to him for taking the first and second ranks in the Class scholarship examinations.

With the view of qualifying himself for Public Service he passed the Mysore Local Service "Revenue Higher" and "Registration" examinations held in May 1917 and headed the list in the latter examination by his being placed in the first class.

The memorialist further begs to submit that he belongs to a well-known and respectable Lingayat family residing in the city of Mysore and that he is one of the very few law graduates produced till now by the Lingayat Community.

The memorialist submitted three memorials since December 1913 to Your Highness praying for the favour of nominating him as an Assistant Commissioner in the State Service.

He applied about the month of June 1916 to the Hon'ble Judges of the Chief Court of Mysore praying for their kind recommendation of the applicant to the Government for the post

21

post of a Munsiff and also submitted a petition dated 15th January 1917 to Your Highness' Government with the same object in view.

The memorialist could not appear for the recently instituted examination for the recruitment of Munsiffs on account of the period of his legal practice falling a little short of the limit prescribed in the proceedings published in Mysore Government Gazette.

The memorialist on account of his present age may not have the chance of appearing for a similar examination at a future date and may be barred by age considerations at the time of vacancies in the Judicial Service arising after the appointment of the present batch of successful candidates at the coming Munsiff's Competition Examination.

He therefore most loyally and respectfully prays that Your Highness will be graciously pleased to nominate him as a Munsiff in the Judicial Service or appoint him to a post of a similar rank in any other branch of the Public Service.

He has herewith submitted copies of testimonials granted to him by Messrs. Mir Humza Hussain, B.A., B.L., and V.N. Narasimha Iyengar, regarding his merits and character for Your Highness' gracious perusal. Herewith are also submitted for gracious favour of noting a copy of the Mysore Patriot (dated 17-4-1918), a copy of the A. D. S. Magazine and three copies of the Mysore Social Review (January, March and August numbers), containing some of the public speeches and writings of the memorialist.

Praying for the long life, happiness and prosperity of Your Highness and Your Highness' August Family.

The memorialist begs to remain,

His legal acumen, mental equipment, and intelligence are of a high order, and I can safely affirm that his ability and attainments are far above the average. His philosophical researches show a firm grasp and acute analysis of some of the abstruse problems of life. I have known Mr. G.Abdur Rahim, B.A.,LL.B., Advocate for a number of years-as a practitioner for the three years that I am here and as a personal friend for some years before that. In several important cases which he conducted before me, he acquitted himself creditably and I found that he was much above the average in all that he handled. As I have known him intimately for some time past, I can with confidence vouch for his integrity Character, intelligence and capacity. He is an Advocate of over six years standing and is well up in Law and Procedure. I am sure that, if he is given a chance, he will neither fall below the mark nor will he be behind many others that are already in the line either in Civil or Criminal work. He is one of the very few Law Graduates in the Backward Community and deserves a chance in the arrangements that are likely to be made in connection with the separation of the Executive and Judicial functions now under contemplation. I may add that he belongs to a very respectable family in these parts.

Mr. Abdul Rahim B.A. of Mysore was one of my pupils when I was Professor of Law at the M.A.O. College, Aliharh. During that period I had ample opportunities of forming an estimate of his work and general character. I found him very deligent and painstaking and he applied himself to his work with zeal and energy. I have no doubt that the industrious habits , of which he gave such signal proof here in his College career, will, if continued , insure for him success in most departments of life.

With a little practical experience of the working of the Courts, he will do spendidly as Judicial Officer. In character, he is a thorough gentleman.

M.A.O. College, Aligarh U.P.
Dated 15th October 1910.

Abdum Rahim Ganjami joined this college in 1904, passed the F.A. in 1906 and B.A. 1908. He has also passed the previous exa-

examination for the LL.B degree.

He was a State scholar of Mysore.

His conduct was very satisfactory and, so far as I know, his character is very good.

He is a young man of some ability and of good manners.

I think he would make a good candidate for the Mysore State Service.

To those who would like to know some particulars of my life I would say that I have no fixed time for sleeping nor any definite time for taking my meals; sometimes my meals are kept at dinner table in front of me for several hours, whilst I being absorbed in my thoughts forget all about them. So deeply do my thoughts take possession of me when I am planning / various improvements and considering state affairs, that I do not see any of the people who are in my presence.

No. 2553

OFFICE OF THE PRIVATE SECRETARY TO
H.H. THE MAHARAJA OF MYSORE.

DATED 17th December 1918.

C.S. 142-18-2

The accompanying Memorial dated the 16th December 1918, from Mr. M.N. Subbanna, B.A., LL.B., Advocate, Mysore, praying for the post of Munsiff, is forwarded, with compliments, to the Dewan of Mysore, Bangalore, for favour of disposal.

By Order

For Private Secretary.

P. No. 410.

OFFICE OF THE ... SECRETARY
... MYSORE

To

His Highness the Maharaja
Sri Krishnaraja Wodeyar Bahadur, G.C.S.I., K.G.C. B.E.,
Maharaja of Mysore, MYSORE.

May it please Your Highness,

The humble memorialist most respectfully begs to submit the following for Your Highness' gracious consideration.

He is a law graduate of the Bombay University and has been practising in Mysore City as an Advocate since his enrolment in the Chief Court in the month of March 1914.

He belongs to a wellknown and respectable Lingayet family residing in the City of Mysore and is one of the very few law graduates of the Lingayet Community. He is the first law graduate in the sect to which he belongs and there is not one gazetted officer belonging to this sect in any department of the Mysore Public Service.

As a law student he was the holder of Bombay Government Scholarships granted to him for taking the first and second ranks in two Colleges Scholarship examinations.

With the Public Service in view he passed the Mysore Local Service 'Revenue Higher' and 'Registration' examinations held in May 1917 and headed the list in the latter examination by being placed in the first class.

He submitted three memorials to Your Highness since December 1913 praying for nomination as an Assistant Commissioner in the State Service.

He applied about the month of June 1916 to the Hon'ble Judges of the Chief Court requesting their kind recommendation of the applicant to the Government for the post of a Munsiff.

He submitted a petition on 15th January 1917 to Your Highness' Government and a memorial to Your Highness on the 14th of March 1918 praying for the grant of the above post to the petitioner.

The period of legal practice required by the rules for recruitment to the grade of Munsiffs did not permit the memorialist to appear at the Competitive Examination held in the month of April of the current year and he learnt from the Chief Court that the question of appointing one in every four, on special grounds by way of nomination provided in the Government proceedings dated the 25th January 1917 and published in the Government Gazette dated 1st February 1917, had not been taken up by the Government and would not be taken up till the happening of an actual fourth vacancy.

The prayer of the humble memorialist was not considered at the recent selection of Magistrates under the scheme of the separation of the Executive and Judicial functions.

The humble memorialist most respectfully submits that if his prayers are not taken up for gracious consideration by Your Highness and your Highness' Government in the selection of candidates for the vacancies arising presently in the Judicial Service, he may be barred by age considerations from entering the Public Service altogether.

He therefore most loyally and respectfully prays that Your Highness will be pleased to nominate him as a Munsiff or appoint him to a post of a similar rank in any other branch of the Public Service as prayed for in his previous petitions.

He has herewith submitted copies of testimonials

testimonials granted to him by Messrs. Mir Humza Husein, B.A., B.L., and V.N. Narasimha Iyengar, regarding his merits and character for your Highness' gracious perusal.

Praying for the long life, happiness and prosperity of Your Highness and Your Highness' august family

He begs to remain,

Your Highness' most faithful and loyal subject,

M. M. Subbanna.

Dated 16th December 1918

Mysore.

This is to certify that M. N. Subbanna, B.A., LL.B., has been practising before me for the last three years, that he is one of the rising members of the Bar with considerable legal and literary attainments and that his conduct and behaviour in the Court have been quite satisfactory.

The Anandasramam,

Mysore, 10th August 1917.

I have known for upwards of the last 30 years the respectable Lingayet family in Mysore from which Mr. M. N. Subbanna is descended, and I made his personal acquaintance some time ago. His legal acumen, mental equipment, and intelligence are of a high order, and I can safely affirm that his ability and attainments are far above the average. His philosophical researches show a firm grasp and acute analysis of some of the abstruse problems of life. From all that I have heard of him and from a pretty close acquaintance, his moral character is unexceptionable.

I heartily wish him every success.
